Illness Forces Cancellation of “A Night with Goodtime Charlie”

CORPUS CHRISTI, Texas – Due to the illness of former Texas Congressman Charles Wilson, “A Night with Goodtime Charlie” scheduled for Wednesday, Oct. 22, at the Congressman Solomon Ortiz International Center has been cancelled.

It is not known at this time whether-or-not the event, the first in a series of fundraisers to support an endowment to bring noted speakers to Texas A&M University-Corpus Christi, will be rescheduled.

Wilson, who represented the state’s 2nd Congressional District from 1973 to 1997, found post-Washington fame as the hero of “Charlie Wilson’s War,” a Hollywood blockbuster starring Tom Hanks about the clandestine operation that helped end the Cold War.
