**WHERE:** Stripes Support Center at the Intersection of Ayers and Gollihar

## **Texas A&M-Corpus Christi Pollution Prevention Partnership and Stripes Kick-off ‘Drive Clean, Drive Green’ Campaign**

CORPUS CHRISTI, Texas – Representatives from the Pollution Prevention Partnership at Texas A&M University-Corpus Christi will be available for interviews when they kick-off the “Drive Clean, Drive Green” campaign to identify vehicles discharging harmful emissions on Monday, Aug. 24, from 10:30-11 a.m. at the Stripes Support Center at the intersection of Ayers and Gollihar.

The two-week campaign will consist of free vehicle emissions tests and gas cap seal tests at Stripes locations throughout Corpus Christi. All testing events are free and open to the public. Vehicles that are identified as polluting will qualify for free emission reducing repairs. Gas caps identified as leaking will be replaced at no charge to the driver.
