Texas A&M-Corpus Christi Students Help Beautify City and Provide Free Services to Residents during ‘Big Event’ Feb. 28 Applications for assistance available at the YMCA and the University Center

CORPUS CHRISTI, Texas – Some Corpus Christi residents may receive free services including gutter cleaning, basic yard work, wall or fence painting, and other needed work on their property during EDGE Leadership’s “Big Event” Saturday, Feb. 28, from 8 a.m. to 4 p.m. in various locations throughout the city.

Project assistance is reserved for the elderly, those who are unable to do the work themselves and people in need of financial support.

Corpus Christi residents may fill out a form to request free services of their homes and businesses. Applications are available at the YMCA, 417 S. Upper Broadway St., or in the University Center 226. The deadline for applications is Friday, Feb. 20.

Excellence through Development Growth and Experience (EDGE) Leadership’s first “Big Event” is one way more than 20 campus organizations are giving back to the community.

EDGE Leadership, a student-run organization, develops students’ leadership skills to help them become better leaders on campus, in the community and in the workforce.
