Research Fellows Give Poster Presentations at the LSAMP Symposium at Texas A&M University-Corpus Christi

CORPUS CHRISTI, Texas – More than 40 research fellows from LSAMP at Texas A&M University-Corpus Christi, Texas A&M University in College Station and Prairie View A&M University will present posters on their research during the fifth annual Symposium Poster Presentation Friday, Feb. 20, from 1:30-3:30 p.m. in the University Center, Lone Star Ballroom.

The posters involve research in biology, chemistry, environmental science, mathematics, computer science, engineering technology, biomedical sciences and geographic information science.

The Texas A&M System Louis Stokes Alliance for Minority Participation (TAMUS LSAMP), a partnership comprised of Texas A&M University, Texas A&M University-Corpus Christi and Prairie View A&M University, is committed to increasing the number of underrepresented students participating in the science, technology, engineering and mathematics (STEM) fields. For the full Symposium agenda, go to <http://csamp.tamucc.edu/lampsymposium2009/agenda.pdf>
