Students Experience College Environment at Women in Technology Camp at Texas A&M-Corpus Christi

CORPUS CHRISTI, Texas – Students in the Women in Technology Camp will demonstrate the virtual world projects they have created as part of their camp experience on Friday, July 31, from 3:30-4:15 p.m. in the Center for Instruction, Room 226, at Texas A&M University-Corpus Christi.

The camp, which ends Saturday, Aug. 1, was open to young women who recently completed their sophomore, junior, or senior year in high school. During the camp, the students experienced a college environment, created movies in virtual worlds and learned about careers in technology.

Graduated seniors will receive priority consideration for \$1,000 scholarships to attend Texas A&M-Corpus Christi. The camp was hosted by the College of Science and Technology.
