Safe Communities Campaign at Texas A&M-Corpus Christi Offers New ‘Sharing the Road with Bicycles’ Presentation

CORPUS CHRISTI, Texas –The Safe Communities Driver Safety Campaign at Texas A&M University-Corpus Christi has announced the availability of a new presentation on “Sharing the Road with Bicycles.”

With the resurgence in the popularity of bicycling, more bicycle lanes are being added to roads throughout the community. Both motorists and cyclists need to be aware of safety concerns when motorized vehicles share the road with cycles.

The Safe Driving Campaign can provide the presentation and distribute bicycle safety booklets. In addition, the Campaign can offer children’s activity sheets on bike safety.

For more information or to request booklets or presentation, call the Safe Communities Campaign at 361.825.2551.
