‘ME by the SEa’ Conference Offers Coastal Bend Educators Hands-On Instruction in Teaching Math and Science

CORPUS CHRISTI, Texas – More than 270 educators from across the Coastal Bend will participate in the “ME by the SEa” Conference Friday, June 12, from 9 a.m. to 3 p.m. in the Center for Instruction at Texas A&M University-Corpus Christi.

The annual conference, which includes a new science education concentration, emphasizes curriculum alignment and mathematics engagement for students from pre-kindergarten through college.

The 45 presentations/workshops for all grade levels will feature hands-on activities teachers can use to address a variety of topics on the mathematics and science curriculum.
