More Than 900 Graduating Seniors to Receive Diplomas during Texas A&M University-Corpus Christi's Spring Commencement Class of 2009 largest ever in 62-year history of the 'Island University'

CORPUS CHRISTI, Texas – The largest number of graduates in Texas A&M University-Corpus Christi history will receive their diplomas at the 2009 Spring Commencement on Saturday, May 16, at 10:30 a.m. in the American Bank Center arena.

During the ceremony, around 914 students from the Colleges of Business, Education, Liberal Arts, Nursing and Health Sciences, and Science and Technology will receive their diplomas. Graduating senior Eric Holguin, a media communication major, will deliver the commencement address on “Keys to Success: Opportunity, Goals, Experiences and Passion.”
