Member of American Medical Association Board of Directors Looks at 'Good, Bad and Ugly' of Healthcare Reform Debate

CORPUS CHRISTI, Texas – Dr. Raj S. Ambay, a member of the board of trustees of the American Medical Association (AMA), will speak on "Healthcare Reform: The Good, the Bad and the Ugly" on Tuesday, Sept. 29, from 4-5 p.m. in Bay Hall, Room 104.

The AMA is a strong supporter of expanding health insurance coverage and improving our health care system. Three of the AMA's top priorities are: 1) protecting the patient/physician relationship by insurance companies or the government; 2) providing affordable health insurance for all through a choice of plans and eliminating denials for pre-existing conditions; and 3) promoting quality, prevention and wellness initiatives.

The event sponsored by the World Affairs Council of South Texas is free and open to the public. For more information, call Maria Jaramillo-Couret at ext. 3750; or e-mail maria.jaramillo@tamucc.edu.
