Texas A&M University-Corpus Christi College of Science and
Technology Hosts 22th Annual Coastal Bend Science Fair
Kindergarten through eighth grade students to compete for $1,000 scholarships

CORPUS CHRISTI, Texas – Students from area school districts will display their projects
during the 22nd annual Coastal Bend Science Fair on Saturday, May 1, from 9:30 a.m. to 6 p.m.
in the University Center, Lone Star Ballroom and the Moody Sustainers Field House at Texas
A&M University-Corpus Christi.

The fair is the final competition for kindergarten through eighth-grade students who have
competed in science fairs in their school districts. Exhibits will be categorized by grade with
approximately 750 students competing for ribbons and medals.

Award winners will be announced following an open house at 3 p.m. on Sunday in the
University Center. An overall winner selected from kindergarten through fourth grade will
receive a trophy and a $1,000 scholarship to A&M-Corpus Christi.

More than 100 science and education majors will help with all aspects of the fair. Judging
will be done by scientists, engineers, faculty members, educators, college science students and
community members with expertise in science.
