Tatum Named Associate Vice President for Information Technology And Chief Information Officer at Texas A&M-Corpus Christi

CORPUS CHRISTI, Texas – Terry Tatum has been named associate vice president for Information Technology and chief information officer at Texas A&M University-Corpus Christi. Tatum, who assumed his duties on Monday, March 8, replaces Chuck Irby who retired after 31 years of service.

Tatum comes to Texas A&M-Corpus Christi from the University of Texas, where he was associate vice president for Information Technology. Previously, Tatum was the assistant vice president and chief technology officer at the University of Alabama-Birmingham.

Tatum holds a Bachelor of Business Administration and a Doctor of Jurisprudence in law, both from the University of Texas.
