Avinash and Peggy Ahuja Endowed Scholarship Benefits Deserving Texas A&M University-Corpus Christi Students

CORPUS CHRISTI, Texas – Longtime benefactors Avinash and Peggy Ahuja have made a gift to fund scholarships for deserving students at Texas A&M University-Corpus Christi.

The Avinash and Peggy Ahuja Endowed Scholarship will benefit full-time students pursuing a degree at Texas A&M-Corpus Christi. To be eligible for the scholarships, recipients must have a cumulative 2.5 grade point average and demonstrate financial need.

The Ahujas are the co-chairs of the President's Council segment of the Momentum Capital Campaign. The couple's most recent gift is just one example of their commitment to the Momentum 2015 Capital Campaign.

Since 2000, they have also made gifts to the President's Council, the Gloria and Robert R. Furgason Bravo! Series for the Performing Arts and the "State of the University" luncheon. The Ahujas are also active community philanthropists and support numerous organizations and causes in the area.
