Texas A&M-Corpus Christi Students to Fish with Special Needs Children, Clean up the City during EDGE Leadership’s ‘Big Event’

CORPUS CHRISTI, Texas –Texas A&M University-Corpus Christi students will assist children with special needs during the Catch A Special Thrill (CAST) fishing event, and mulch, landscape and pick up trash throughout the city during EDGE Leadership’s “Big Event” on Saturday, Feb. 26.

Excellence through Development Growth and Experience (EDGE) Leadership’s third annual “Big Event” is one way campus organizations are giving back to the community. Students will work with Corpus Christi’s Mayor’s Office on several clean-up projects.

EDGE Leadership, a student-run organization, develops student leadership skills to help them become better leaders on campus, in the community and in the workforce.
