

Members of the Faculty:

This edition of the Faculty Handbook includes a few additions and/or changes. Please take a few minutes to review these materials. The rules and procedures in this handbook provide the solid foundation for dealing with the many intricacies of our university. The Faculty Handbook is just one of several documents that guide our operations. I encourage each of you to use your utmost professional and ethical judgment at all times and to seek assistance from any of our most capable faculty and staff as needed.

Sincerely yours,

Flavius C. Killebrew
President
