

## **APPOINTING POWER AND TERMS AND CONDITIONS OF EMPLOYMENT**

System Policy 01.03 provides information on the appointment of the officers, faculty members, and other employees of The Texas A&M University System. It explains the role of the Board of Regents, Chancellor, and President in the appointment process. The policy also discusses the terms and conditions of employment. Another relevant System document for faculty members is System Policy 12.01, Academic Freedom, Responsibility and Tenure (see the appendix of this faculty handbook). The System Policy and Regulation Manual is accessible electronically at <http://sago.tamu.edu/policy/intro.htm>.
