Candidates will also be required to pay the \$97 CLEP exam fee in advance by using the My Account feature on the CLEP website at <http://clep.collegeboard.org/register/exam>. Eligible DANTES funded test takers attempting a test title for the first time will have their CLEP exam fee funded by DANTES. (DANTES will not pay the exam fee for a previously funded CLEP exam of the same title; the candidate will be responsible for the \$97 exam fee, but not the administrative fee). Candidates will be issued a **registration ticket** to confirm their exam purchase. (Registration tickets are valid for six months from the date of purchase).

EXAM INFORMATION

Each exam, except for College Composition, is 90 minutes long and is made-up primarily of multiple-choice questions. The College Composition exam is 120 minutes and includes a 50-minute multiple choice section and two mandatory online essays that students must respond to in 70 minutes.

Exam descriptions can be found on the [CLEP](#) website. Scoring is immediate for the computerized portion of the exam, except the College Composition exam. An examinee will be issued a preliminary score report. A transcript will be sent by CLEP up to two institutions in approximately five to seven business days as part of the fee. Test scores are kept on file by CLEP for 10 years. During this period, additional score reports may be sent to an institution by CLEP, but only at the request of the candidate. A transcript request form and instructions for having your transcript sent to institutions can be downloaded from the [CLEP](#) website or obtained by contacting CLEP.

Study tips and sample questions can be found on the CLEP website; A CLEP study guide may be purchased as well or by calling 1-800-257-9558. Learn how to earn free CLEP vouchers at modernstates.org.

RE-TEST

CLEP exams may not be retaken within a three-month period. This is a CLEP policy. The CLEP program will not release scores for an examination of the same title taken within the three-month period after the initial administration under any circumstance. If a candidate retakes the examination within the three-month period, the administration will be considered invalid, the score will be canceled, and fees will be forfeited.

Candidates who are military service members and whose exams are funded by DANTES may not repeat an examination of the same title within a 180-day period; however, they may personally fund a retest after waiting the required period.
