

# TEXAS A&M UNIVERSITY CORPUS CHRISTI

## Math Placement Test

Students who wish to challenge their math course placement at Texas A&M University - Corpus Christi may take [ACCUPLACER's Next-Generation Advanced Algebra and Functions](#) exam in the Office of Academic Testing. It is a 90-minute, computer-adaptive exam with 20 questions.

The student must schedule a test appointment with the Office of Academic Testing. A \$15 math placement exam fee must be paid [online](#) prior to test date.

**Exam Rules:** The student is **not** permitted the use of any electronic devices (ex. cell phones) or testing aids (ex. calculators). The student may have a single piece of scratch paper. The exam must be completed without breaks.

**Retest Policy:** Students should be aware that they are only permitted to take the placement test once. Appeals to the retest policy will be made to the Math Department Chair. The appeal should explain why they believe a second attempt would improve their initial placement recommendation.

**Course Placement:** The assessment cut scores for this exam are as follows:

Score Range	Course Recommendation*
237-249 (25 <sup>th</sup> percentile)	No Recommendation
250-262 (50 <sup>th</sup> percentile)	MATH 1314 – College Algebra MATH 1332 – Contemporary Mathematics MATH 1442 – Statistics for Life MATH 1324 – Mathematics for Business & Social Sciences PHIL 2303 – Introduction to Logic and Critical Thinking
263-275 (75 <sup>th</sup> percentile)	MATH 1316 – Trigonometry MATH 2312 – Pre-Calculus SMTE 1350 – Fundamentals of Math I MATH 1325 – Calculus for Business & Social Sciences
276-300 (90 <sup>th</sup> percentile)	MATH 2413 – Calculus I

\*The placement recommendations are valid for one year at Texas A&M University - Corpus Christi.

If you have a question about testing dates, please contact the Office of Academic Testing at (361) 825-2334.
