

ISLAND DAY

CAMPUS PREVIEW EVENT

APRIL 20, 2024

FIND YOUR PURPOSE

LIVE YOUR PURPOSE

TEXAS A&M UNIVERSITY
CORPUS CHRISTI

WELCOME TO THE ISLAND!

Island Day is designed so that you can test the waters at the Island University! You will have opportunities to meet our faculty and staff who are committed to every student's success, learn about our academic programs, tour our state-of-the-art facilities, and meet students who were once in your shoes.

At A&M-Corpus Christi, no ocean is too deep to explore and the sky is the limit. Our scientists explore the Gulf of Mexico and work with the FAA and NASA to bring unmanned aerial vehicles to America's skies. Our university beach is a living laboratory and our students perform on the finest stage in the Coastal Bend. We are excited to share why approximately 11,000 students from 49 states and 56 countries have made the Island their home away from home.

Here are some recommendations to make the most out of your campus visit:

- **Take some time to review today's schedule** and pick sessions that you would like to attend. Build your own schedule on page 6. Sessions include academic showcases, admissions and financial aid presentations, Islander Housing tours, and more!
- **Meet an Island Ambassador.** Island Ambassadors are TAMU-CC's volunteer tour guides and host on-campus events for prospective students. They are eager to share why they love being Islanders and can help with directions.
- **Take care of business.** University staff members are on standby to answer any questions and help you become an Islander!

On behalf of the Islander family, thank you for visiting Texas A&M University-Corpus Christi. We hope that your visit makes choosing a university a little easier.

Shakas Up and Go Islanders!

Bailey Patterson
Assistant Director of Undergraduate Recruitment
Texas A&M University-Corpus Christi
