

PSA Program at TAMU-CC

Fall
2026

Learn your next
steps towards
enrolling at the
Island University.

What is the PSA program?

The Program for System Admission (PSA) is an alternative admission program for selected students not offered freshman admission to Texas A&M University. PSA provides students the opportunity to attend a Texas A&M University System institution with the goal of enrolling at Texas A&M in College Station after one year. Students are encouraged to review all requirements on [TAMU's website](#).

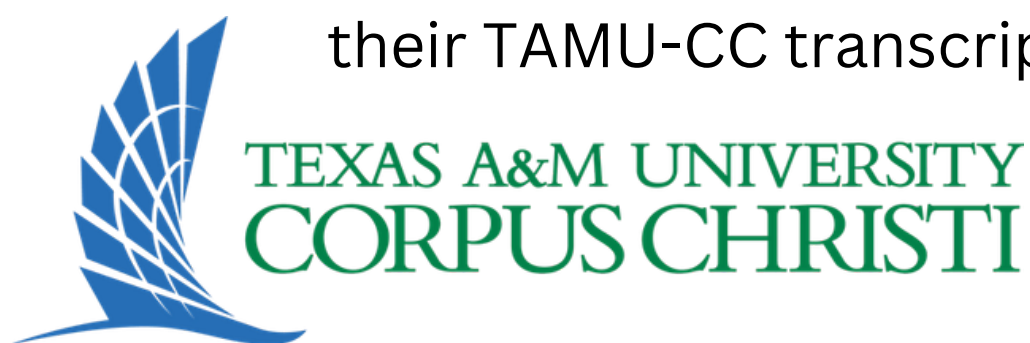

Pre-qualified for admission to TAMU-CC

If you were given TAMU-CC as a PSA option in the AIS portal, you met the admission standards we provided to TAMU. Students must submit their PSA decision and select TAMU-CC in their AIS portal by May 1st. Once you submit your AIS decision, please allow **2-3 weeks** for our team to receive and process your admission.

*If you applied to TAMU-CC separately and were admitted *prior* to receiving and accepting your PSA decision, we will update your TAMU-CC major to your new PSA major and update your student status so that you can attend a PSA specific orientation session.

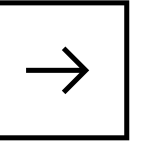

Admission into TAMU

PSA participants are required to submit a Fall 2027 transfer application during their spring semester (by March 1st, 2027) for admission to Texas A&M University. Students will need to order their TAMU-CC transcript to be sent to TAMU for review.

THE TEXAS A&M
UNIVERSITY SYSTEM

Is the PSA Program Right for You?

PSA Majors

PSA students must choose a *participating* [TAMU PSA major](#). PSA was designed for students who are interested in a participating major. It is never recommend to use the PSA to be admitted to TAMU with the intention of switching to the major you really want.

Change of Major requests at TAMU are not guaranteed. Students will not be able to change their majors to Business or Engineering once at TAMU.

TAMU-CC will assign you to a similar major or as an undeclared major; it does not matter if TAMU-CC does not offer the PSA major you chose (ex. Poultry Science).

Can I take fully online classes?

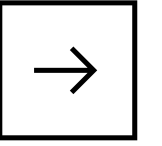

Fully online classes are typically reserved for students who are admitted into fully online programs. Students who participate in PSA can expect to have in person classes.

Can I take classes at the RELLIS campus?

RELLIS does not participate in the PSA program.

Can I stay at TAMU-CC? YES!

We would love to have you stay with us as an Islander!

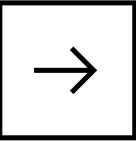

To Opt-Out of the program *prior* to enrolling:

- Submit a [Change of Major form](#)
 - Old major: “[Old Major]-PSA”
 - New major: “[New TAMU-CC Major]-TAMU-CC”
- Notify TAMU

To Opt-Out of the program *after* enrolling:

- Set up an academic advising appointment to change your major.
- Notify TAMU

Submitting Class Credits

College Credit

Dual Credit

Request for official college transcript to be sent to admiss@tamucc.edu from the college(s) you are taking dual credits/college work at.

AP Test Scores

Earn Credit (no grades)

If you took an AP test, you can request for your scores to be sent to TAMU-CC at collegeboard.org.

IB Test Scores

Earn Credit (no grades)

If you have an international baccalaureate transcript, you can request for it to be sent to TAMU-CC at rrs.ibo.org.

Math Placement Test CLEP Exams

Consider taking these.

Students may earn college credit by taking a CLEP exam and students who wish to challenge their math course placement at TAMU-CC may take a math placement test in the Office of Academic Testing.

Make sure to send in all transcripts and/or test scores prior to attending orientation.

Final Transcripts

Upon graduation, please inform your high school registrar/counselor/official that you have plans to attend TAMU-CC.

They will need to send us your **official final high school transcript** by September to allow you to register for the spring term.

*College Prep courses may be used for TSI exemptions, so transcripts may be needed prior to attending Islander Launch.

Official dual credit/college transcripts should be sent to TAMU-CC before attending Islander Launch to ensure you are not placed in courses you have already completed.

A vertical photograph on the left side of the slide shows a campus scene. In the foreground, two students are skateboarding on a paved path. In the background, there are several palm trees and a modern building with large windows. The sky is clear and blue.

Financial Aid

- Complete the 2026-2027 Free Application for Federal Student Aid (FAFSA) at studentaid.gov or the TASFA at mytexasfuture.org.
- Check your Islander Email regularly for Financial Aid notifications.
- Review Financial Aid Award Offer/Notifications on SAIL once they become available.
- If accepting financial aid, complete the requirements that will be noted in SAIL.
- Schedule virtual or in-person appointment with TAMU-CC Financial Aid Advisor [HERE](#) if extra help is needed.
