Island Day is designed so that you can test the waters at the Island University! You will have opportunities to meet our faculty and staff who are committed to every student’s success, learn about our academic programs, tour our state-of-the-art facilities, and meet students who were once in your shoes.

At A&M-Corpus Christi, no ocean is too deep to explore and the sky is the limit. Our scientists explore the Gulf of Mexico and work with the FAA and NASA to bring un-manned aerial vehicles to America’s skies. Our university beach is a living laboratory and our students perform on the finest stage in the Coastal Bend. We are excited to share why approximately 11,000 students from 49 states and 59 countries have made the Island their home away from home.

Here are some recommendations to make the most out of your campus visit:

- **Take some time to review today’s schedule** and pick sessions that you would like to attend. Build your own schedule on page 6. Sessions include academic showcases, admissions and financial aid presentations, Islander Housing tours, and more!
- **Meet an Island Ambassador.** Island Ambassadors are TAMU-CC’s volunteer tour guides and host on-campus events for prospective students. They are eager to share why they love being Islanders and can help with directions.
- **Take care of business.** University staff members are on standby to answer any questions and help you become an Islander!

On behalf of the Islander family, thank you for visiting Texas A&M University-Corpus Christi. We hope that your visit makes choosing a university a little easier.

Shakas Up and Go Islanders!

**Rene Zamora ’14**  
Director of Undergraduate Recruitment  
Texas A&M University-Corpus Christi
TODAY'S AGENDA

Check-in
Performing Arts Center
Review today's schedule and use page 6 to build your agenda.

Mini Pep-Rally and Welcome Session
Performing Arts Center
Members from the Islander Pep Band and the Spirit Team will kick-off the day with a short performance to welcome you to the Island! Learn about what to expect and how to make the most of your campus visit. Island Ambassadors will direct you to the Academic Showcases from this session.

Academic Showcase Sessions
9:45 - 10:30 a.m. & 10:40 - 11:25 a.m.
>>See pages 3 and 4 for sessions, times, and locations
Discover some of the university's top rated programs! Choose from a variety of sessions to immerse yourself in the true Islander experience! Be sure to review session times and locations.

Lunch and Island Fair Rotation
>>Match your name tag color with the schedule below to determine your schedule.
Get a taste of Islander Dining and browse information tables to meet members from various campus departments, organizations, and academic programs!
Do you have dietary restrictions? Let a dining staff member know.

Breakout Sessions
1:10 - 3:40 p.m.
>>See page 5 for sessions, times, and locations
Interested in learning about admissions, financial aid, student life or Islander Housing? Need assistance applying for admission or financial aid? Want to tour campus? There is a session for you!
ACADEMIC SHOWCASES

ACADEMIC AFFAIRS

First-Year Learning Communities Program and University Seminar
O'Connor Building, room 115 - Dr. Rita Sperry
9:45 - 10:30 a.m. & 10:40 - 11:25 a.m.
Learn about the award-winning and innovative First-Year Learning Communities Program (FYLCP) and University Seminar, two interconnected programs designed to help first-year students transition to the university and develop the habits of mind necessary to succeed! Opportunities for meaningful connections with students, faculty, and staff are incorporated into the FYLCP and in the University Seminar course to help new students build a community during our students' first year on the Island.

The Honors Program
O'Connor Building, room 116 - Ms. Michelle Evans and Honors Program Students
9:45 - 10:30 a.m. & 10:40 - 11:25 a.m.
The Honors Program at Texas A&M-Corpus Christi provides highly motivated students scholarships and the opportunity to engage in research experiences with faculty mentors. In addition, the Program serves the University’s mission by supporting underrepresented and underserved communities. Honors students develop the skills of communication, leadership, and collaboration necessary to be responsible citizens in the global community. All Honors Program students are eligible for one or more scholarships, will be offered a space in the Honors Residence Hall and will have the opportunity to study in a supportive environment in the Honors Lounge. Students graduate knowing that they have the skills and experience necessary to succeed in the workplace or graduate or professional schools. Join us for information about the Program’s application process and to hear from current students about their experiences.

COLLEGE OF BUSINESS

Welcome to the College of Business!
O'Connor Building, room 145 - Dr. Brian Tietje, Dean of the College of Business
9:45 - 10:30 a.m. & 10:40 - 11:25 a.m.
The College of Business offers students the best quality education in seven major areas. The college is accredited by AACSB International in both Accounting and Business, a distinction held by only one percent of business schools worldwide. Stop by to learn more about our programs, internship opportunities, international experiences, and why TAMU-CC is among the premier business schools in Texas!

COLLEGE OF EDUCATION AND HUMAN DEVELOPMENT

Teacher Education Information Session
O'Connor Building, room 132 - Dr. Mark Hughes
9:45 - 10:30 a.m. & 10:40 - 11:25 a.m.
Learn about programs preparing future educators, including certification preparation courses, field-base training, and the Early Childhood Development Center, the laboratory school located on campus. The College of Education and Human Development also offers minors that help build training and leadership skills for a variety of majors.

Kinesiology Information Session and Lab Tour
Island Hall, room 162 - Dr. Don Melrose and Dr. Liana Davis
9:45 - 10:30 a.m. & 10:40 - 11:25 a.m.
Learn about the Kinesiology specializations including Exercise Science and Strength and Conditioning, Early Childhood - Grade 12 Physical Education Teacher Certification, and Pre-Allied Health. The department now offers a stand-alone bachelor's degree in Sports Management. Kinesiology also offers minors in Exercise Science, Sports Management, and EC-12 PE Certification. In addition, the department offers master’s degrees in Athletic Training and also Sports Performance. The tour will include the Biomechanics Lab, Motor Development Lab, Sport Physiology Lab, and Athletic Training Center.

Islander Battalion - Army ROTC
O'Connor Building, room 131 - Mr. Raul Ramirez
9:45 - 10:30 a.m. & 10:40 - 11:25 a.m.
Presentation topics include opportunities for leadership training, cadet life, hands-on/adventure training, and financial incentives.

COLLEGE OF ENGINEERING

Computer Science at TAMU-CC
Dr. Robert Furgason Engineering Building, room 104 - Dr. Carlos Rubio-Medrano
9:45 - 10:30 a.m.
An introduction to the Computer Science department, degrees offered, and existing research projects.

What do Engineers Do and What do they Study?
Dr. Robert Furgason Engineering Building, room 108 - Dr. David Bridges
9:45 - 10:30 a.m. & 10:40 - 11:25 a.m.
A look at the professions represented by the five engineering majors at TAMU-CC – civil, industrial, electrical, mechanical, and mechanical engineering technology – and the degree plans for the different majors.

Engineering Lab Tours (Groups are limited to 20 participants each)
Dr. Robert Furgason Engineering Building, Lobby - Dr. Dr. Aref Mazloum and Dr. Nancy Soliman
9:45 - 10:30 a.m. & 10:40 - 11:25 a.m.
A tour of the Engineering machine shop and capstone project rooms will be offered, and then will proceed to the Center for Instruction, room 208, where Dr. Nancy Soliman will give an overview of her Lab for Infrastructure and Energy Materials in Extreme Environments.

The Geospatial Revolution: GIS, Lasers, and Drones
MANTIS (Geospatial Measurement Analytics) Lab Tour
O'Connor Building, room 101 - Dr. Michael Starek
9:45 - 10:30 a.m.
An introduction to the Geographic Information Science and Computing Science department, degrees offered, and existing research projects. This presentation will discuss the principle concepts of geographic information systems (GIS) and land surveying, while showcasing application areas and technologies, such as unmanned aerial vehicles (UAVs), online mapping, and disaster response.

ACADEMIC AFFAIRS

MANTIS is a remote sensing and geospatial engineering research lab that houses our Unmanned Aerial Vehicle (drone) mapping research. The lab is located in the Natural Resource Center 3rd floor (#2 on the campus map).
COLLEGE OF LIBERAL ARTS

Philosophy: What it is and why do it?  
Bay Hall, room 126 - Dr. Stefan Sencerz  
The presentation will explain the idea of philosophy (literally, love of wisdom) as this idea was introduced by ancient Greeks and developed throughout millennia. This idea will be illustrated with some examples of understanding philosophical concepts (such as knowledge or freedom of will). Subsequently, we'll discuss the issue of why doing philosophy is valuable.

Graphic Design: Cultivating Creative Professionals  
Bay Hall, room 234 - Professor Andrea Hempstead  
What is Graphic Design and what kind of careers can you have with this degree? Learn about the answers to these questions as well as get a glimpse at the graphic design program at TAMU-CCI. During this information presentation, we will provide a program overview and take a look at student work inside and outside of the classroom.

Keeping Music in Your Life in College  
Center for the Arts, room 228 - Dr. Susan de Ghizé  
Do you sing or play an instrument? Are you interested in music industry? Have you ever wanted to learn how to read music or who Beethoven was? The music department offers several music major tracks, a music minor, as well as classes for non-majors. Come to this session to learn about how to keep music in your life in college. Due to classroom size, seats are limited to 24.

Theatre Tours  
Center for the Arts, Lobby - Professor Kelly Russell  
Tour the the Warren and the Wilson theatres and learn about our productions.

COLLEGE OF NURSING AND HEALTH SCIENCES

Welcome to Nursing and Health Sciences  
Center for Instruction, room 138 - Dr. Jean Sparks, Professor Cathy Harrel, and Professor Bonifacio Vega  
This presentation consists of an overview of the programs offered in the College of Nursing and Health Sciences: Clinical Laboratory Science, Health Care Administration, and Nursing.

Nursing Facilities Tour - Islander Regional Hospital  
Island Hall, departing from room 160 - Ms. Ashley Dominguez, Sim Lab Supervisor & Nursing and Health Care Admin. Students  
Guests will participate in a guided tour of the state of the art Simulation & Clinical Learning Center. The Center includes Islander Regional Hospital, a simulated hospital unit, and several specialty labs including obstetrics and pediatrics.

COLLEGE OF SCIENCE

CSI Oceans: Using Forensics to Understand Marine Fish Migrations  
Center for Instruction, room 113 - Dr. Benjamin Walther  
Fish can migrate large distances during their lives, although we know very little about movement and habitats use in most species. However, fish that move between different bodies of water may be stamped with unique chemical fingerprints that tell us where they lived their lives. This lecture will discuss the use of chemical forensic techniques in fish to reconstruct migration patterns. Options for students to get involved in research activities will also be discussed.

Tidal Life, Science Research Building Tours  
Departing from the Tidal Hall Lobby - Mr. Kenneth Brown  
Tidal Hall is TAMU-CC’s newest building on campus that supports the university’s fastest growing programs and recent R2 Doctoral University High Research Activity classification by the Carnegie Commission on Higher Education. See our state-of-the-art lab facilities in the $60,000,000 three story building designed to sustain dynamic research from the undergrad to doctoral level.

Environmental Science at TAMU-CC  
Robert Furgason Engineering Building, room 107 - Dr. Jennifer Smith-Engle  
Environmental science is a highly interdisciplinary field embracing core sciences, regulations, and emerging technologies. Potential careers include consulting, positions in industry, local, state or federal agencies, non-profits, education, law, and more. Field trips, internships and undergraduate research provide high-impact learning opportunities, and customized degree plans fit students’ individual interests and goals.

Succeeding In Your First Year in College  
Robert Furgason Engineering Building, room 106 - Dr. Judy Metcalf  
Dr. Metcalf will discuss some of the struggles first year students encounter and offer suggestions and tools that will help you be successful in spite of these struggles.

DNA: The Beginnings  
Bay Hall, room 104- Dr. Gregory Buck  
This presentation is a mini-lecture, actually condensed from what is actually given in sophomore-level Microbiology (BIOL 2421). Topic covers the initial description of DNA and the deduction of its structure to its known function, as described by Watson and Crick. Suitable for pre-med, pre-dental, pre-vet, pre-pharmacy and those students interested in biological science. The information presented will be related to Dr. Buck’s research in his lab with undergraduate students, and the opportunities possible for students attending TAMU-CC.

Health Professions Advising Committee (HPAC) Information Session  
Bay Hall, room 103 - Dr. Tesneem Nusayr  
Helping pre-health students, of Texas, to achieve their goal. Starting from the academic advisor’s guidance, and ending with practice interviews and uploading the Letters of Evaluation for each student to the Texas Medical and Dental Schools Application Service.

**THE ISLAND AMBASSADORS**

The Island Ambassadors serve as TAMU-CC’s volunteer tour guides and help welcome thousands of prospective students to campus each year! Consider joining our organization!

Follow @FutureIslander and visit ambassadors.tamucc.edu for more information!

---

TAMU-CC STUDENTS REPRESENT 49 STATES & 59 COUNTRIES
TAMU-CC AWARDS MORE THAN $130,000,000 IN AID EACH YEAR
STUDENTS, FAMILY MEMBERS, AND GUESTS: PLEASE COMPLETE OUR SURVEY AT THE END OF THE DAY BY SCANNING THIS QR CODE. WE WELCOME YOUR FEEDBACK!

STUDENTS MUST COMPLETE THE SURVEY TO RECEIVE THEIR ISLANDER T-SHIRT.

TAMU-CC HAS OVER 150 STUDENT CLUBS & ORGANIZATIONS
ISLANDER FIGHT SONG

FIGHT FOR A&M, A&M-CC
HIGHEST HONOR, BRAVE AND STRONG
EVER TRUE WILL BE
ONWARD TO VICTORY
ISLANDERS WILL PREVAIL
WE'LL FIGHT, FIGHT
FIGHT FOREVER
A&M-CC!
