WHERE ISLAND LEARNING MEETS ISLAND LIVING

A learning destination like no other. As an Islander, you will enjoy opportunities for unique, hands-on learning with award-winning professors, and chances to make an impact in over 150 clubs and student organizations. Experience our academic excellence and student services designed to prepare you for success after graduation.

AUTOMATIC ADMISSION STANDARDS

All students are strongly encouraged to apply. Students who have met the required high school diploma type may obtain automatic admission to the University by meeting the SAT/ACT requirement by class rank quartile, according to the table below. The SAT scores reflected in the tables below include the combination of the Critical Reading and Math Sections. Our current test score requirements do not include the writing section component. Those students who do not meet regular admission requirements may be considered for Conditional Freshman Admission through a holistic review of their credentials.

First-time freshmen seeking admission should graduate high school with one of the following diploma types:

- Distinguished Achievement (HB5)
- Recommended (UAP)
- Distinguished (UAP)
