CBMP 2025 Midstream Essay Contest

The Coastal Bend Midstream Program (CBMP) at Texas A&M University-Corpus Christi (TAMU-CC) and Howard Energy Partners are sponsoring the 2025 CBMP Midstream Essay Contest. The essay topic is "The Future of the Midstream Industry." The contest is open to all undergraduate and graduate students at public four-year universities in Texas.

Students are asked to present a view on any aspect of, or issue facing, the midstream industry in the future.

Entries must be submitted to CBMP via email by **11:59 pm CST on Nov. 15, 2025**. The top three winners of the 2025 CBMP Midstream Essay Contest will receive:

1st Place - \$3,000

2nd Place - \$2,000

3rd Place - \$1,000

Please email cbmp@tamucc.edu with questions or to receive detailed contest information.

About Howard Energy Partners

Headquartered in San Antonio, Texas, Howard Energy Partners (HEP) is one of the nation's largest private energy infrastructure companies. The company owns and operates a unique portfolio of assets in Texas, New Mexico, Pennsylvania, Oklahoma, and Mexico. HEP's diversified midstream platform spans the natural gas and liquids value chain and is strategically positioned to meet the world's increasing demand for energy.

For more information about Howard Energy Partners, the company's purpose-driven mission, and its focus on long-term value creation, visit howardenergypartners.com.

About the Coastal Bend Midstream Program

CBMP's mission is to build the value proposition and partnership between TAMU-CC, its faculty and students, and the midstream industry through research, education, and knowledge transfer.
