LECTURE CAPTURE
COLLEGE OF SCIENCE AND ENGINEERING

A.   **WebEx**

What is WebEx?

WebEx is online meeting software that allows you to broadcast and record your voice, video, and computer's desktop to students synchronously or asynchronously. You can host, attend, or review a recording of a WebEx meeting from any computer (and mobile devices) connected to the internet. Students do **not** need an account to attend a meeting or view a recording.

How do I get a WebEx account?

Information about WebEx login and tutorials is available at
- https://iol.tamucc.edu/webex.html
- Office of Distance Education and Learning Technologies (ODELT)

Videos demonstrating how to use WebEx

Short videos are available at:
