

**Faculty Senate
Meeting Agenda
April 29, 2022
12:00-1:30 pm
UC Oso 221**

If others tell us something we make assumptions, and if they don't tell us something we make assumptions to fulfill our need to know and to replace the need to communicate. Even if we hear something and we don't understand we make assumptions about what it means and then believe the assumptions. We make all sorts of assumptions because we don't have the courage to ask questions.
