How to Pull a Voucher in Laserfiche

Vouchers with this number will be displayed. Normally, a voucher number will be followed with an acronym. Each acronym represents a different document related to the voucher you are searching on. These acronyms are listed below.

- CK Check a non-negotiable copy of the printed check that was issued to the vendor
- SD Supporting Documents voucher backup to include invoices, voucher create forms, etc.
- VDF Voucher Data Form a FAMIS generated voucher that shows all transaction history for the payment including routing information.

Double Click on the item you'd like to view to open up the document.
