A **Book Loan** can be awarded for **books and supplies** for up to a \$600.00 maximum. This is a University supported Financial Aid program that is administered through the contract with the Campus Store.

A **twenty-five dollar (\$25.00) non-refundable processing fee is added to loan balance.** To be eligible, undergraduate and graduate students must continue to be enrolled and in good academic standing. Both graduate and undergraduate students may not have HOLDS with the Office of Student Financial Assistance and/or the Business Office. All Financial obligations for prior semesters must be cleared. A student may be denied a loan if they have failed to pay prior loans by the due date or if the student has ever been sent to a collection agency or if three (3) checks have been returned unpaid to the University for any reason. Refunds resulting from dropping or withdrawal from classes will be applied to the outstanding loan balance. If Financial Aid is eventually awarded for this semester, it will be applied first to the outstanding balance of this loan.
