# Third-Party Billing, Exemptions & Waivers

THIRD-PARTY  
SPONSORED BILLINGS

EXEMPTIONS &  
WAIVERS

EXEMPTIONS &  
WAIVERS  
REQUIREMENTS

# Third Party Sponsored Billings

- A Third-Party Billing is a payment agreement between the student, university and the student's sponsor.
- A Third-Party Sponsor is not an individual (e.g. parent, grandparent, etc.) but a company or agency.
- Only Tuition and Fees, Meal Plan or Housing can be billed to a sponsor. Billing of books contact the Campus Bookstore.
- A student, who has an approved sponsor that will be paying, must turn in the documentation (e.g. voucher, letter, purchase order, etc...) to the Accounts Receivable Office (ARO) prior to the payment due date each semester. If the documentation is not received prior to the due date the student will need to pay to avoid late fees and/or cancellation of classes.
- If a student is not sure if their sponsor is an approved agency contact ARO.
- Sponsored Billings are counted as a financial aid resource which may require aid to be adjusted.
- Some Examples of Third-Party Billings:
  - Texas Guaranteed Tuition Plan
  - Texas Tuition Promise Fund
  - Department of Assistive Rehabilitative Services (DARS)
  - AmeriCorps
  - Dept. of Veteran's Affairs

# Exemptions and Waivers

- **Exemptions** are programs authorized by state statute that allow a student to pay a reduced amount of tuition and/or fees.
- **Waivers** are programs authorized by state statute that allow a nonresident student to pay the same rate of tuition as a resident of Texas.
- Exemptions and Waivers will be counted as a resource for a student's financial aid award which may require aid to be adjusted.
- A student who is eligible for an exemption or waiver must turn in the documentation to the Accounts Receivable Office (ARO) prior to the payment due date each semester.
- Some exemptions and waivers approvals are sent to ARO by another university office (e.g. Hazlewood – Veteran's Office, Competitive Scholarship Waiver – Scholarship Office).
- Examples of Exemptions and Waivers:
  - Hazlewood Exemption
  - Blind Exemption
  - Deaf Exemption
  - Competitive Scholarship Waiver
  - Foster/Residential Care Exemption
  - Military Waiver

# Exemptions and Waivers – Requirements

## Satisfactory Academic Progress (SAP)

- Most Exemptions and some Waivers will have SAP requirement.
- Students must meet the Grade Point Average of the University Financial Aid SAP policy (<https://www.tamucc.edu/cost-and-aid/financial-aid/satisfactory-academic-progress.php>).
- SAP is primarily reviewed at the end of each Spring unless the student is on probation, then it is reviewed every semester.
- A student SAP status can be appealed with the Financial Aid Office.

## Selective Service Registration (SSR)

- All Waivers and most exemptions will require the male students receiving the benefit to have registered for Selective Service.

## Excessive Hours

- Students whose total attempted hours are more than 30 hours or more over the required number of hours for the degree they are seeking will no longer be eligible to receive their exemption.

Students who are not meeting all the requirements for their exemption or waiver will NOT be able to use the benefit.

REFUNDS

FINANCIAL AID TO  
REFUND PROCESS

# Drops and Withdrawals

- A **Drop** is when a student drops one or more classes but remains in at least one course.
- A **Withdrawal** is when a student withdraws from all classes and is no longer enrolled for the term.
- When a course is *Dropped* prior to the census date at the beginning of the term the student may be eligible for 100% refund of tuition and fees.
- When a student *Withdraws* from the semester, refunds are broken down into percentages at the beginning of the term. Only withdrawing prior to the beginning of the semester will give a 100% refund.
- *Drops* and *Withdrawal* refunds are calculated based on the amount charged, not the amount paid.
- *Drop* and *Withdrawal* dates are based on the length of courses, not the number of days the class meets. The calculation of those dates is determined by the Texas Higher Education Code not the university.
- *Dropping* a class or *Withdrawing* from the university does not release a student's financial responsibility for the balance owed.
- *Drop* and *Withdrawal* dates and percentages are located on the Business Office [website](#).

# Things to Know

IMPORTANT  
THINGS TO KNOW

TUITION REBATE

OUTSIDE  
SCHOLARSHIPS

AVOID PITFALLS

TIPS FOR SUCCESS

# Important Things to Know

- Islander.edu Email
  - All communications (e-bills, reminders, past due notices, etc..) are sent to students via the university issued email address
- Family Education Rights and Privacy Act (FERPA)
  - Students must give, in writing, permission for anyone to have access to their account
  - The Bursar Department will not be able to discuss any details on a student's account with anyone unless the student has completed the FERPA waiver form and listed the people who can have access to the student's information.
  - The FERPA waiver form is available at the Registrar's Office
- Want parents or others to view or pay your E-Bill?
  - Create an Authorized User in the Bill/Payment Suite
  - A person set up as an Authorized User only gives them access to the student's online Business Office account. For the Authorized User to contact the university to ask questions or get information they must be listed on the FERPA waiver form.
- Financial Responsibility Agreement (FRA)
  - All students are required to sign the FRA twice a year
  - The FRA is located online in [SAIL](#)

# TUITION REBATE

- Up to a \$1000 refund after graduation.
- Must be a Texas Resident the entire time.
- Student must apply for rebate last semester of school with the Registrar's Office.
- Must have attempted no more than 3 hours over the requirements for the degree and must have completed the degree in 4 years.
- Rebate will pay for:

  - 3 If student does not owe either of the above, a check will be mailed.
- For more information -  
<https://www.tamucc.edu/academics/registrar/degrees-graduation/tuition-rebate.php>

# Outside Scholarships

- Outside Scholarships also know as Private Scholarships
- The check should be sent to the Student Financial Aid Office for processing along with the Outside Donor Scholarship Form
- The funds will count towards a student's award
- They will not count toward the Tuition and Fees payment until checks are received and posted to the student's Business Office account
- More information about Outside Scholarships can be found on the Student Financial Aid website: <https://www.tamucc.edu/cost-and-aid/financial-aid/private-scholarships.php>

# Avoid these Common Pitfalls

- Failure to pay your account balance by the due date could result in the following:
  - Late Fees assessed
  - Cancellation of Classes
  - Reinstatement Fees
  - Holds being placed on your account – no future registration and no diploma released
  - Sent to a collection agency which will increase your balance due to collection costs (up to 30% increase)
- Dropping or Withdrawing from classes can affect your financial aid eligibility which can result in some or all of your aid being removed from your account and creating a balance that you will owe the university

# Tips for Success

- Be aware of deadlines
- Read all emails from the Business Office and respond to requests as quickly as possible
- Review your account online on a regular basis
- Memorize your Student ID number
- Keep your addresses in [SAIL](#) up-to-date
