If your department or division is requesting to utilize fund balance, fiscal requests may be submitted at any time during the fiscal year. These requests do not require President's Cabinet (PC) approval and will be approved by the Vice President for Finance and Administration (VPFA) throughout the year.

Funding requests for FY27 should be requested during the budget development cycle on a budget development request form. Please reach out to [budget@tamucc.edu](mailto:budget@tamucc.edu) for more information.
