

**HUB SUBCONTRACTING PLAN  
Historically Underutilized Business**

**DECLARATION OF SUBCONTRACTING OPPORTUNITIES**

(Must be completed when the contracting agency determines no subcontracting opportunities are probable.)

In accordance with the Texas Government Code, Chapter 2161, Subchapter F, each state agency that considers entering into a contract with an expected value of \$100,000 or more shall, before the agency solicits bids, proposals, offers, or other applicable expressions of interest, determine whether subcontracting opportunities are probable under the contract.

State agencies should use the steps outlined in the HUB Rules 1, TAC 111.14(a) in making the determination of whether subcontracting opportunities are probable under the contract: **If subcontracting opportunities are not probable, the agency's bids, proposals, offers, or other applicable expression of interest will include a "Declaration of Subcontracting Opportunities" attesting that it has determined that subcontracting opportunities are not available under the contract.**

-----  
I, the undersigned authorized representative of the Texas A&M University-Corpus Christi have reviewed this solicitation, complied with the steps according to the HUB Rules and have determined to the best of my knowledge and experience that subcontracting opportunities are **not probable under this contract.**
