# CAREER MAP

## COMMUNITY AND MENTAL HEALTH

*Bachelor of Applied Arts and Science*

The community and mental health track is designed for those students who wish to seek entry level positions in social service agencies or in child or elderly care facilities. It is also designed for those hoping to further their education in graduate school, as students wishing to provide mental health counseling in the state of Texas must be licensed. Graduate schools will provide the coursework, internship, and practicum opportunities necessary for licensure.
