This is not an official degree plan. It is a guideline for planning your courses. To access a copy of this academic map please visit tamucc.edu/academics/planning/academic-advising/
INTERNSHIP INFORMATION

Early in their program, students are required to spend a significant portion of their professional development courses observing and working with experienced teachers in the local school districts. Subsequent course work is taught at the school sites, with the students utilizing the setting to become actively involved in applying the concepts learned in the lectures. The field-based program culminates in the clinical teaching experience, wherein the student is assigned on a one-to-one basis with an experienced master teacher and moves from observation, through cooperative teaching, to full responsibility for a class.

SKILLS/ATTRIBUTES

• Critical thinking/Problem Solving
• Professionalism/Work Ethic
• Oral/Written Communication
• Digital Technology

CAREER OPTIONS

• Certified Teacher with many options for specialization: EC-6 Core Subjects with a Reading or STEM Specialization, EC-6 Core Subjects-Bilingual, 4-8 Mathematics, EC-12 Special Education teacher certification, EC 7-12.
• Bilingual Teacher
• Elementary Teacher
• Special Education Teacher
• Middle School Math or Science Teacher

STUDENT ORGANIZATIONS

• Student Reading Council
• Student Council of Math and Science Teachers
