3. THE ROLE OF THE TEXAS A&M-CORPUS CHRISTI FOUNDATION

- 3.1. The Texas A&M-Corpus Christi Foundation (the "Foundation") was established according to the non-profit corporation statute of the State of Texas "...for exclusively charitable, educational and scientific purposes and to assist in the development of [the]...University." It has been granted the status of a tax-exempt 501(c) (3) organization under provisions of the Internal Revenue Service (IRS) Code, thus making it eligible to accept gifts on behalf of the university.
- 3.2. TAMU-CC and the Foundation both perform essential tasks, activities, and services to accomplish the private sector fundraising responsibility.
- 3.3. Fundraising on behalf of TAMU-CC is conducted by the Foundation in collaboration with Institutional Advancement and may incorporate specific fundraising campaign initiatives.
- 3.4. In performing the fundraising function, TAMU-CC and the Foundation have an affiliation agreement. This arrangement requires special sensitivity to the needs of the two (2) entities. The Vice President for Institutional Advancement serves as

the Foundation's Chief Staff Officer. The Vice President for Institutional Advancement and the Foundation Coordinator are the principle liaisons between the Foundation and TAMU-CC.

- 3.5. Donors may make gifts directly to TAMU-CC or through the Foundation. The Foundation was established for the express purpose of soliciting, receiving, and investing gifts, donations, philanthropic grants and endowments on behalf of the university. Gifts to either entity are tax deductible to the full extent permitted by law.
- 3.6. Cash gifts to TAMU-CC from the Foundation (as an affiliated organization) are accepted by the President and the Texas A&M University System Board of Regents without prior review by Texas A&M University System staff so long as all are within the terms of the affiliation agreement.

4. ACCEPTANCE OF CASH GIFTS, NON-CASH GIFTS, AND REAL PROPERTY

- 4.1. The acceptance of cash gifts, non-cash gifts, and real property is subject to the following conditions.
 - 4.1.1. Unrestricted Cash Gifts. The President may accept an unrestricted cash gift of less than \$1,000,000. The Chancellor or designee has authority to accept any gift with a fair market value of \$1,000,000 or greater after the review and recommended approval by the System Office of Budgets and Accounting (SOBA) and the System Office of General Counsel (OGC).
 - 4.1.2. Restricted Cash Gifts. The President may accept a restricted cash gift of less than \$1,000,000 as long as the gift is reviewed by the member development and business offices, fits within the current pattern of accepted gifts for the member, and the gift does not contain a restrictive condition that is discriminatory or which violates any federal or state law or system policy or regulation. If the gift has restrictions, economic risk and/or liability issues that warrant system office review, it is the responsibility of the President to obtain such review prior to the acceptance of the gift. The Chancellor or designee has authority to accept any gift with a fair market value of \$1,000,000 or greater after the review and recommended approval by SOBA and OGC.
 - 4.1.3. Non-cash Gifts. The President may accept a non-cash gift (restricted or unrestricted) with a fair market value less than \$250,000 unless the gift involves a partial sale/partial gift transaction. This non-cash gift could be personal property or real property (land). The President may accept a non-cash gift (restricted or unrestricted) with a fair market value of \$250,000 or greater only after review and approval from SOBA and OGC. The President is responsible for the review of all non-cash gifts for associated economic risks and associated liability for the organization. If the gift has restrictions,

economic risk and/or liability issues that warrant system office review, it is the responsibility of the President to obtain such review prior to the acceptance of the gift.

- 4.1.4. Gifts of Real Property. All activities involving acceptance of a gift or bequest of real property shall be consolidated in the Texas A&M University System Real Estate Office.  - 4.2.4. If the gift's value is \$5,000.00 or more, then one independent appraisal using IRS Form 8283, Section B must accompany the Gift-in-Kind Reporting Form when presented for approval. The appraisal should not be conducted by the donor or university personnel who have participated in the processing of the Gift-in-Kind Reporting Form.
 - 4.2.5. If appraisal is required, donors are responsible for completing and filing IRS form 8283, Section B through the IRS.
 - 4.2.6. Upon approval of the donation, the University Property Manager will determine if the gift is eligible for inventory and then assign and affix a property number to the donated item when applicable.
 - 4.2.7. The original documents must be completed and returned to the Office of the Vice President for Institutional Advancement with an explanation of the benefit which the university will derive by accepting the proposed gift.
 - 4.2.8. Acting on appropriate administrative recommendation, the Vice President for Institutional Advancement may decline a gift, if the acceptance of said

gift would not be in the best interest of the university.

4.3.1. Undue restrictions on employment, fellowship, utilization of facilities and equipment, and control of funds;

4.3.3. Activation or establishment of institutes, consortia, programs, and other groups or organizations that would circumvent ordinary constraints and controls of TAMU-CC.
