

34.05.99.C1 Tobacco Use, Smoking, and E-Cigarettes/Vaping

Revised: May 18, 2020

Next Required Review: May 18, 2025

[Revision History](#)

Rule Summary

Texas A&M University-Corpus Christi (TAMU-CC) strives to maintain an environment that protects the health of each person while on the TAMU-CC campus. This rule establishes guidance for the use of tobacco and e-cigarette/vaping products on university property.

Definitions

See system policy *34.05, Smoking* for all relevant definitions.

Rule

The use of tobacco products and/or smoking is prohibited in and on all university properties, residence facilities, university vehicles, and athletic events, except in designated areas depicted on the campus smoking area maps found on the Facilities Services website.

E-cigarettes and vaping are prohibited in and on all university properties, residence facilities, university vehicles, and athletic events without exception.
