PSLF BASICS
WHAT IS PSLF?

The PSLF Program forgives the remaining balance on your Direct Loans* after you have made 120 qualifying monthly payments under a qualifying repayment plan while working full-time for a qualifying employer.

The PSLF servicer (currently PHEAA/FedLoan Servicing) administers PSLF for all Direct Loan* borrowers.

As a result, if you submit a PSLF form and the PSLF servicer determines that your employment qualifies, all of your Direct Loans* as well as any of your FFEL Program loans that are held by the U.S. Department of Education will be transferred to the PSLF servicer.

*On Oct. 6, 2021, the U.S. Department of Education announced a temporary period during which borrowers may receive credit for payments that previously did not qualify for PSLF or TEPSLF.

PSLF HELP TOOL OVERVIEW
Complete the Public Service Loan Forgiveness (PSLF) Form With the PSLF Help Tool

The PSLF Help Tool helps determine whether you work for a qualifying employer for the PSLF or Temporary Expanded Public Service Loan Forgiveness (TEPSLF) programs, suggests actions you can take to become eligible for PSLF, and guides you through the PSLF form and submission process.

Important Limited PSLF Waiver Opportunity

On Oct. 4, 2021, the U.S. Department of Education (ED) announced a temporary period during which borrowers may receive credit for payments that previously did not qualify for PSLF or TEPSLF.

Learn More About this limited PSLF waiver.

Using the PSLF Help Tool

Use the PSLF Help Tool to search for a qualifying employer, learn what actions you may need to take to become eligible for PSLF or TEPSLF, and generate the form you need. Each time you submit a form, we will evaluate your eligibility for forgiveness, and provide that forgiveness to you if you are eligible. After you submit your form, if you have Direct Loans and work for a qualifying employer, you will receive a count of the number of qualifying payments you have made toward both PSLF and TEPSLF from FedLoan Servicing. For the best experience using this tool, we strongly recommend that you read Become a Public Service Loan Forgiveness (PSLF) Help Tool Guide before getting started.

The PSLF Help Tool has been modified to align with the conditions under COVID-19 relief measures and the limited PSLF waiver through Oct. 31, 2022. To get the most accurate information, make sure to carefully read any section titled “Special Notice for the COVID-19 Emergency” and check out the limited PSLF waiver announcement.

My Employers

Add your past and current employers below to determine whether they qualify for PSLF and TEPSLF during the time of your employment.

Note: 1) Only add your employment history since your last approved employment certification (if applicable). If you’ve certified an employment period in the past, then you do not need to do so again.

2) If at least one day of your employment falls within a period during which we determined your employer to be eligible, you will be able to complete the PSLF Help Tool even if the employer was not an eligible employer for the entire period you entered. However, the PSLF Servicer will conduct a comprehensive review of the specific dates of your employment for eligibility with the submission of a PSLF form. Please note that periods of employment prior to October 2, 2007, cannot qualify for PSLF even if they were with a qualifying employer.

SECTION 2: LOAN TIPS

My Loan Actions

The Department of Education announced a limited-time change to PSLF program rules as a result of the COVID-19 national emergency.

Loan Eligibility Changes:
Now, for a limited period that goes through October 31, 2022, borrowers may receive credit for past payments made on loans that would otherwise not qualify for PSLF. As a result, we have modified the PSLF Help Tool experience for you to complete the form. Please continue to the next section, Application Details.
In Section 3, the borrower is asked to provide additional details about the number of qualifying payments that he or she believes have been made.

If the information on file indicates that the borrower has not made 120 payments, the radio button will default to No.

If a borrower indicates that he or she has made 120 payments, but the information on file contradicts this, the borrower will not be able to continue until he or she selects No.
The borrower will be able to enter and edit mailing information and contact information.

**Note:** If a borrower wants to update his or her contact information, and selects the **visit your Account Settings** link, he or she will be taken to account settings to update the information.
In Section 5, the borrower will be able to review and make any final edits to his or her information.

Selecting Save will complete the Help Tool flow and save the borrower’s information.
CONFIRMATION

After selecting Save, the borrower will be taken to a Confirmation page with a warning banner that states “You’ve completed the PSLF Help Tool, but your application has not been submitted.” For the application to be complete, the borrower must complete the application form and submit it using one of the methods provided:

- Secure upload to MyFedLoan.org
- By Postal Mail
- Or by Fax
