

Have your insurance cards handy for every appointment

As long as you have your phone, your insurance cards are at your fingertips with the MyEvide app!

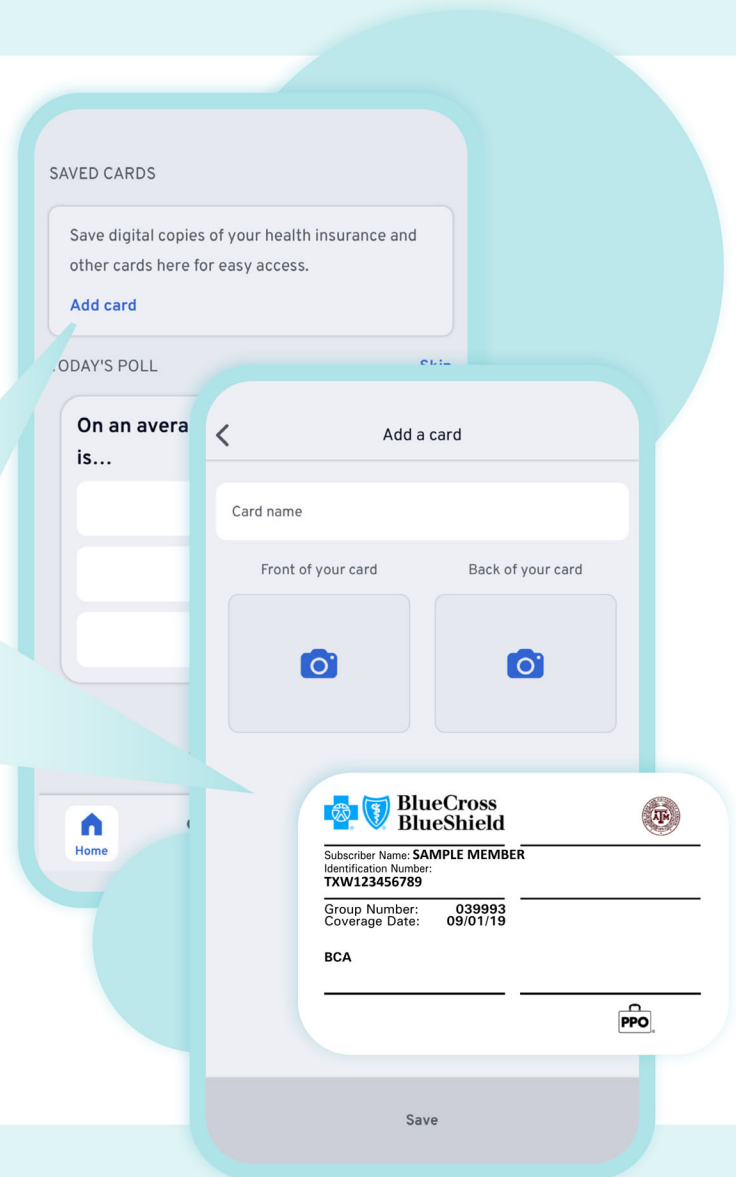

Here's how to get started:

Log on to the MyEvide app

Select "Add card" under the "Saved Cards" section on your Home page

Take a picture of the front and back of your insurance card and click "Save"

You can store multiple cards, update them when you need to, and even get a link for printing!

Search for **"MyEvide"** on the **App Store** or **Google Play** to download the app.

Make sure to have your Universal Identification Number (UIN) handy to register.
