Install Adobe Creative Cloud – University Windows PC

Clients who use a University issued Windows PC can install the Adobe Creative Cloud suite.

- 1. Close all opened applications including Microsoft Office applications and web browsers
- 2. Search for Software Center

4. After the install completes, an icon will appear on your desktop for Adobe Creative Cloud. Run this application to start using the software.

5. After opening the application for the first time, a login will pop up. Choose the link Sign in with an Enterprise ID

			TAT Adobe ID	
		Sign In		
		userid@tamucc.edu		
		Password		
		Sign in	Forgot password?	
		Not a member yet? Ge	t an Adobe ID	
	2	Want to use your comp Sign in with an Enterpr	pany or school account? rise ID	
		Or sign in with		
		Facebook	G Google	

- 6. You will be directed to DUO for authentication
- Initially, the installation will only install the Creative Cloud app and Adobe Acrobat DC. Once in the Creative Cloud application, you can install additional applications from the Apps tab. In addition, 100GB of cloud storage is provided through Adobe.
