Connecting to a University Wireless Network on a Mobile Device

TAMU-CC faculty and staff can connect to the Islander_Admin and Eduroam network. TAMUCC students can connect to only the Islander_Student network. Follow the below instructions to connect to the appropriate network.

1. Select Settings.

2. Select Wi-Fi.

3. Make sure Wi-Fi is turned on and select the appropriate network.

4. When prompted, enter your IslandID and password.

5. If using an **Android phone**:

   a The CA certificate needs to be set to "Don't Validate" or "Do not check."

   b Phase 2 Authentication is required to be set to "MSCHAPV2."
      Note: Some Android devices place the Phase 2 Authentication in the advanced settings.

6. You should now be connected to the University wireless network.
