NEOMA BUSINESS SCHOOL

Founded in 2013, NEOMA Business School is the result of the merger of two historical institutions, Reims Business School (1928) and Rouen Business School (1871).

NEOMA is ranked 29th worldwide (vs. 30th in 2022) and 6th in France. Our recent international ranking consolidates our place amongst the top 30. Our highly selective institution is annually ranked in the top 7 French institutions fully recognised by the French Ministry of Higher Education.

With **400 partner universities**, NEOMA aims to create a **multicultural environment** within its campuses. Each year, NEOMA welcomes 10,000 students of 100 different nationalities on its three campuses. 73% of NEOMA's teaching staff is international.

Programmes are taught completely in English: we offer two 4-year Bachelor Cycle programmes covering the fundamentals of management followed by a 2-year Master in Management Cycle.
