TO: Parents and Campers  
FROM: Kelly Russell, Camp Director

I hope this correspondence finds each of you doing well and looking forward to our Annual Summer Theatre Workshop: “Camp on the Coast” at Texas A&M University-Corpus Christi. The Department of Theatre & Dance and the University are looking forward to your time with us from June 18 through 30. Enclosed you will find important information to assist in your preparations. In addition, these materials should provide answers to questions you might have concerning camp. We have assembled a staff and faculty of the most experienced, professional caliber to assure your safety and guidance during your stay with us in Corpus Christi. Our guest directors are busy making final script selections. The Acting Instructors are preparing for classes. Campus dorms and the dining hall are gearing up for your arrival. It should be a wonderful summer of theatre!

IMPORTANT INFORMATION

COVID SAFETY
Getting vaccinated is the best way you can do your part in the fight against COVID-19, and that includes staying up to date with the latest available booster shots. If you haven’t done so yet, we strongly urge you to get vaccinated now or get the latest COVID booster shot so that you’re protected, and we can all enjoy camp to its fullest.

REGISTRATION
Registration and Dorm Check-In will be Sunday, June 18 between 2:00 pm and 4:00 pm at The Camden-Miramar Recreation Room. (see attached map) If you are arriving by car, please do not unload luggage when you arrive. After registration you will drive around the corner to move into your dorm.

Dorm Check-Out will be Friday, June 30. Luggage will be stored in the Center for the Arts, and students will leave at approximately 4:00 p.m. after our final performance, strike, and awards.

ARRIVAL AND DEPARTURE
Parents (or High Schools) are responsible for transportation to and from Texas A&M University-Corpus Christi at the beginning and end of camp. Students arriving at Corpus Christi International Airport should email Kelly Russell by June 1 to arrange for transportation from the airport. 
Kelly.Russell@tamucc.edu Please include the airline, flight # and arrival time. Also include the return flight information.

COMMUTERS
Commuters must arrive on time each day for class (9:00 a.m.). If you are not in class at 9:00 a.m. your parents will be notified immediately. You may come earlier and eat breakfast with the rest of camp if you wish—the cost of breakfast is covered in your tuition. Commuters are required to eat lunch and dinner on campus. Once you arrive each day, you MAY NOT drive your car until you leave campus at the end of the session. You MAY NOT, for any reason, transport a residential camper in your vehicle. Doing so will result in your suspension from camp without a refund.
**HOUSING**

Male and female students will be housed in separate areas of the dormitory. Access to living areas of the opposite gender will be absolutely prohibited at all times. Violation of this rule will result in suspension from the camp. The Camden/Miramar staff will issue dorm keys at registration. Lost keys will cost the student $50 to replace.

Individuals staying in the dorms who bring their own cars will surrender their car keys to the Camp Director after Registration. The Camp Director will return keys during check-out. Students will never be allowed to ride in a car with anyone other than camp staff...and then only in the case of an emergency (trip to the hospital, doctor, etc.)

We have an excellent faculty and staff that will supervise the campers at all times. There are eight college counselors who will accompany campers to the dining hall, rehearsals, the dorms, and social activities. At no time during the day will students be left un-chaperoned. A strict dorm curfew will be enforced, and an adult dorm supervisor will be on-site throughout the camp, along with the counselors.

Laundry facilities are available on the weekend in the dorms. Campers will need to bring their own detergent.

**MEALS**

Meals will be provided for all campers, and are included in the tuition price, both for commuters and for those staying in the dorms. You may bring extra money for additional snacks and food.

**CAMPER SAFETY AND GUIDELINES**

The camp will have strict rules regarding curfew, class attendance, rehearsal etiquette, and behavior. Rule violations may result in a phone call to parents, restrictions on social activities, or suspension from camp. If a student is sent home for rule violations, his/her tuition will not be refunded. (see Summer Theatre Workshop: Camp on the Coast Student and Parent Handbook attachment)

This behavior is essential for the development of respect, trust, and leadership abilities that are promoted by Summer Theatre Workshop: Camp on the Coast, and any negative behavior will not be tolerated.
Campus
As you know, Texas A&M University-Corpus Christi is hosting the Summer Theatre Workshop: *Camp on the Coast* and has provided access to the university’s resources and facilities. With this in mind, we ask that all participants respect the privilege that has been given by ensuring that at each activity, event, or during the Summer Theatre Workshop: *Camp on the Coast* that we respect and care for the facilities by making certain we clean our area, abide by the university policies and procedures, and those of the Summer Theatre Workshop: *Camp on the Coast* Program.

Attire
Attire should not interfere with or distract from the positive learning environment we support. Therefore any attire which depicts drugs, alcohol, satanic, vulgar, pornographic or gang-related material will not be allowed. The manner in which each participant presents himself/herself is important for many reasons—most importantly to provide a clean and safe learning environment for all participants.

Residential Staff
When the participants reside at the Miramar Dormitory there will be summer residential staff that will facilitate, monitor and maintain all events and activities during the duration of their stay.

Campers are to abide by the rules and regulations provided by the residential staff at all times. Any violations will be subject to review by the Director.

Miramar Dormitory
Throughout the duration of the Campers’ stay at the Miramar Dorms each individual participant is responsible for maintaining the appearance of their area which includes their assigned room and building. Any damages shall be the responsibility of the participant and parent(s)/guardian(s).

Safety
The safety and welfare of each participant and the group as a whole is a top priority for Summer Theatre Workshop: *Camp on the Coast*. We ask that each participant regard safety in the same manner. As for the medical insurance/Medicaid/Medicare information, these should include all physicians and policy numbers. Students should submit a copy of the card or information with all telephone numbers. Parents of students without medical insurance must provide a letter claiming financial responsibility for any emergency medical expenses that may arise during the camp.
