Check Your System

After creating your profile, you'll be prompted to test that your system meets our requirements, we recommend you do this now, and again close to test day.

System Check
Let's run a quick check to ensure that your system meets the requirements to test with Examity. We'll start with your camera and microphone.
👰 FalesTime HD Camera (Built-o) (055c 8514) 👻 🔮 Default - Alack AizPode (Bluetooth) 🗸
800000000
C Your microsoftware is weaking. Speak Indi its cleads the values.
Your webcam is working.
