

Wild cats a quilt by Cindy Buschang.

Wild Cats- In the dark days at the beginning of the pandemic, when everything was shut down and we were all stuck in our homes, I had to find something productive to pass the time. I had purchased this pattern years ago, but the fabric choice used on the cover was dull and uninspiring. I dug deep into my fabric stash to create this bright and cheerful quilt. I hope it makes you as happy as it makes me.
