Thank you to CHRISTUS Health for partnering with CONHS to provide this amazing event. Working together, we can accomplish great things!
FOW Meeting
October 24
1:00 PM
IH 323
Sim Lab - Funds Sim

Fundamental students experienced their very first simulation. Students completed assessment and demonstrated a safe medication pass while effectively communicating with their patient. Good luck in clinical, students!
Neighbor to Neighbor Packages

We are accepting donations of socks & full-sized bars of soap or cash donations to make neighbor to neighbor packages for homeless in our area. Please bring items to Bo Vega - IH 342F anytime before 10/23. We will assemble the packages in IH 323 immediately following the FOW meeting on 10/24.
Could you survive a month living in poverty?

It is difficult for those of us who have enough to truly understand the situations that families living in poverty experience every day; the decisions they must make, and the fears and frustrations they feel. For this reason, we are inviting you to walk a mile in the shoes of those facing poverty by participating in the Community Action Poverty Simulation (CAPS). The CAPS provides participants with the opportunity to assume the role of a low-income family member living on a limited budget.

In collaboration with the CONHS, you are invited to participate in a 4-hour simulation, each of which represents one week in which you must provide for your family and maintain your home.

Two Individual Sessions will be held:

Date: November 1, 2023
Session 1: 8:00 am - 12:00 pm  Session 2: 1:00 pm - 5:00 pm
Location: Anchor Ballroom A,B, and C

SIM LAB
Unfolding Sims
Unfolding simulations continued in Islander Regional Hospital this week with Clinical Assistant Professor Haga. Nice work students!
Join us in IH 323 on October 31 at noon for the first Share-It Brown Bag Lunch Meeting. The topic will be OneDrive presented by Dr. Luis Espinoza. Dr. Espinoza will demonstrate how to use OneDrive to work with colleagues on research endeavors as well as for teaching courses here at TAMUCC. A PowerPoint will be available after the meeting.

Please email Dr. Luis Espinoza at Luis.Espinoza@tamucc.edu with your ideas for future Share-It Brown Bag presentations.
Congratulations to Dr. Dixie Andelman for being selected to serve as a Texas Nurse Practitioner Legislative Ambassador for Texas District 43.

Dr. Andelman was selected to serve in this role due to her demonstrated leadership, clinical expertise, and passion for healthcare policy and advocacy. We know she will represent TAMUCC, CONHS, and the profession well. We wish her the best with this endeavor!
Fourth-semester BSN student, Lily Dreibrodt, was awarded the Rose Marie Logsdon Memorial Endowed Scholarship in Nursing. Lily has maintained a 4.0 GPA in the program while working in the Simulation and Clinical Learning Center. Congratulations, Lily, from CONHS!

Registration opens at 9 a.m. on Monday, Oct. 23, and runs through Sunday, Nov. 5 for the 10th annual Texas A&M University-Corpus Christi, Giving Tuesday - a faculty and staff day of service.

Giving Tuesday, to be held on Tuesday, Nov. 28, is a global day dedicated to giving back where charities, families, businesses, community centers, and students around the world come together for one common purpose – to celebrate generosity and to give.

The Giving Tuesday committee at Texas A&M University-Corpus Christi invites all faculty and staff to spend a day giving back to the Corpus Christi community.
Get ready to spice up your lunch break. Join us for a Spooky Chili-Cuterie party on Halloween. Bring your favorite chili recipe, sides, dessert and/or appetizer.

Contact Anna Haga for questions.
MedSurg II students demonstrated excellent skill and critical thinking during their unfolding simulation in Islander Regional Hospital. Excellent work!
Current MSN-FNP student, Ashley Dominguez, was awarded the Dr. Chris Bray Endowed Scholarship in Nursing. “I chose MSN Family Nurse Practitioner because of the needs of our diverse community. I am deeply committed to creating more equitable health outcomes, and my studies through the TAMUCC FNP program will provide me with the knowledge and skills needed to make a meaningful impact.” Congratulations, Ashley, from CONHS.
