This week new additions to the CONHS art decor were installed. If you have not seen them already, please make your way down the conference room hallway on the 3rd floor to see these beautiful pieces.

As part of the HRSA Grant, our Professional Nursing Issues students, have an opportunity to create these works of art. The overall objective is to refine their skills of communication, eye/hand coordination, manual dexterity, comfort with ambiguity, as well as observation and collaboration that will be needed in their healthcare careers.

Thank you Dr. Laura Monahan for your efforts to partner with Margaret Aubrey (Associate Professor - College of Liberal Arts) and Cassie Wright (Adjunct Professor - College of Liberal Arts) to help our CONHS students have this opportunity.
HAPPENING THIS WEEK

SEPTEMBER 7TH - BLUESDAY TUESDAY
SEPTEMBER 7TH - SPEAKER SISTER MARIA MONAHAN UC ANCHOR ROOM C & D
SEPTEMBER 7TH TO SEPT 10TH - FINAL WEEK OF MANDATORY COVID TESTING

STUDENT NURSES ASSOCIATION
GUEST SPEAKER
Tuesday September 7, 2021 @ 1pm
UC Anchor Room C and D

Sister Maria will be speaking to the students about her experiences as a medical missionary for 26 years in Amazonas, Brazil. She will give a glimpse of what health care is like in the jungles of Brazil, where tropical diseases, parasite infections, leprosy, and scarce healthcare resources are common. It is a glimpse for our students of life from another perspective.

All Islander students, faculty, and staff, regardless of vaccination status, are required to receive a Covid-19 test between August 23rd and September 10th. The testing site will be located at the Island Hall gym adjacent to the Dugan Wellness Center. Daytime, evening, and weekend hours will be available to accommodate varying schedules.

Each Tuesday is #Bluesday Tuesday on the Island. Show off your Islander pride by wearing your favorite blue shirt! Everyone is encouraged to participate in wearing their "TAMUCC blue" to show our Texas A&M University Corpus Christi spirit.

In keeping with tradition, we would like to continue to celebrate and recognize faculty and staff on their special day. Since we have recent changes and additions to our CONHS team, I will be making a fresh list of everyone’s birthday month and date (NOT YEAR).

If you would like to be added to this Birthday Club list, please email me at Stephaine.Long@tamucc.edu

Congratulations to Johanna Evans and her CONHS students. This summer, 47 students received clinical hours at Children’s Association for Maximum Potential (CAMP) in Center Point, Texas. Community clinical groups, ABSN clinical groups, and a small Eline community group were represented. Without their willingness to do this it would have been extremely difficult to properly care for the campers we serve.

The students conducted themselves in a professional manner and immersed themselves in the experience completely. They did an amazing job representing our university and the nursing profession.

Message from Johanna DuBose: Thank you CONHS Family for your support and votes in the Islander Cell Phone Photo Contest. I am so happy to share that the photo of Tailey, my “Pandemic Pal” is hanging on the 2nd floor of the library.
