20th Anniversary of September 11th Ceremony

Islander students, staff, and faculty gathered to celebrate the memories and sacrifices made from countless civilians, first responders, and military men and women, during a memorial wreath laying ceremony on the University’s East Lawn to honor the 20th anniversary of 9/11.

Health Science Association Guest Speakers

This month's HSA student meeting had the privilege of two guest speakers. Dr. Hassan Aziz and Dr. Stefani Schomaker were both in attendance for the September HSA Student Meeting. Dr. Aziz had an introduction meeting to the group with great Q&A from students and attending faculty. Dr. Schomaker was also present to speak to students on career services opportunities offered at TAMUCC.
