CONHS Students' Spotlight

During the Student Government Association (SGA) Swearing in ceremony, three CONHS students were recognized as SGA Senators. Congratulations to Obuchi Mgbaraho, Sydney Sandoval, and Adriana Hurtado. Each will be featured on our social media platforms as a "student spotlight" in weeks to come.
Island Day Saturday October 16th

Message from Miguel:
Island Days is designed for prospective students and their families to learn more about university programs. The Recruitment Office is looking for a faculty member to do the Welcome to CONHS presentation, in-person. An overview presentation that introduces students to our nursing and health science programs from 9:45 - 10:30 and 10:40 - 11:25, and we will also offer tours of the nursing simulation labs during these time frames. Students will have the option of getting a tour of the nursing lab or attending the presentation. Like Islander Family Weekend, it would be great to have one or two faculty minimum and a staff volunteer. Possibly from both nursing and health sciences. One faculty minimum to help with the presentation, and the other to assist with the nursing tours and answer questions.

Bluesday Tuesday
Each Tuesday show off your Islander pride by wearing your favorite blue shirt! Everyone is encouraged to participate in wearing their "TAMUCC blue" to show our Texas A&M University Corpus Christi spirit.

One Hundred Hats for the Homeless
This is hat number 95, knitted by Heather DeGrande in the true spirit of an Islander. She, along with Pam Ortiz, Adriene Platt, and Pam Greene are collaborating with two community organizations to knit One Hundred Hats for the Homeless by November 1. The initiative started after the "big freeze." We know we will have another cold snap, and we want to help the shelters prepare. Additionally, 225 pairs of socks have been collected.
In keeping with tradition, we would like to continue to celebrate and recognize faculty and staff on their special day. Since we have recent changes and additions to our CONHS team, I will be making a fresh list of everyone’s birthday month and date (NOT YEAR). If you would like to be added to this Birthday Club list, please email me at Stephaine.Long@tamucc.edu

Registration for the A&M-Corpus Christi COVID-19 vaccination incentive program is now available for our campus community through November 30. Eligible students, faculty, and staff who are fully vaccinated can enter to win exciting incentives! Registration is voluntary and incentives will be awarded weekly each Wednesday from now through December 1.
