CONHS TEAM GUEST SPEAKER HIGHLIGHTS

SNA (Student Nurses Association)

Dr. Hassan Aziz had the privilege to serve as one of the guest speakers at the October SNA (Student Nurses Association) meeting. Dr. Aziz's presentation included an introduction meeting with SNA followed by great Q&A from students and attending faculty.

Dr. Marge Benham-Hutchins had the opportunity to serve as a guest speaker at a recent debate on vaccine mandate for faculty, students, and staff. The TAMUCC Student Political Science Club hosted debate moderated by Braver Angels. The debates are designed to encourage participants to think deeply, express personal viewpoints, and to gain greater insight into others' points of view.
