CONHS inspires next generation of healthcare providers!

On Monday, the CONHS Simulation and Clinical Learning Center hosted fourth and fifth grade students from the TAMUCC Early Childhood Development Center. Led by Center Manager Lisa Snell, MSN, RN, CHSE, the nearly forty students toured the Center and learned how healthcare professionals are trained in simulated settings. Dressed in funny pajamas, the students' visit was planned in celebration of Red Ribbon Week, the nation's largest and longest-running drug awareness, and prevention program.

CONHS Host Community Action Poverty Simulation

The community Action Poverty Simulation promotes a greater understanding of poverty in breaking down stereotypes and allowing participants to experience poverty and step into the real-life situations of others. During the simulation, students role-play the lives of low-income families, and begin to understand what it might be like trying to survive month to month. Some examples of family simulation situations are newly unemployed, recently deserted by the breadwinner, being homeless, and senior citizens receiving disability or social security.

OCTOBER 4, 2021

Congratulations
CONHS Undergrad BSN 4th Semester Psych
Students recently earned their Mental Health
First Aide Certifications!

CONHS Students
Volunteer
Recently, CONHS students participated in the “Little” Big Event. Health Science Association and other student organizations volunteered with nonprofits around the city to make an impact. Our students assisted non-profits with cleanup and beautification efforts.

TAMUCC CONHS students participate in Safe Fun Fit Event at the Bayfront as part of STaR Journeys project.
ABSN students took part during this engaging event on Saturday. TAMUCC Colleges offering STaR (Service, Teaching and Research) Journey sessions are the CONHS and the COEHD. The intention is to create an interdisciplinary framework for propelling Service, Teaching and Research. This Fall 2021 collaboration with the City of Corpus Christi at the "Safe, Fun, and Fit" event was held Saturday October 23rd.

Congratulations
CONHS Undergrad BSN 4th Semester Psych
Students recently earned their Mental Health First Aide Certifications!
Conny Hauf - Graduate Academic Advisor

Conny has joined our CONHS team as the Graduate Academic Advisor. Conny previously worked as a lecturer of German at Texas A&M, then became a program coordinator for an ROTC scholarship. Conny moved to Oklahoma and worked as Student Program Coordinator for the Physician Associate Program at the University of Oklahoma Health Sciences Center, and now she is back in warm and sunny Texas.

Congratulations Dr. Christina Murphey

Dr. Murphey was selected to participate in the 2022 cohort educational initiative, “Translation and Integration of Genomics is Essential to Doctoral Nursing (TIGER)” for AACN member schools. TIGER aims to facilitate personalized health care through a national educational effort that will be deployed via a ‘train-the-trainer’ model. TIGER participants will bring their skills back to their universities to serve as champions to incorporate genomics into doctoral curriculum, research, scholarship, and clinical practice.

Congratulations Dr. Pamela Greene

Dr. Pamela Greene has been selected to represent the CONHS at AACN’s 2021 Diversity Symposium. We look forward to hosting a Brown Bag Luncheon in the Spring 2022 where Dr. Greene will share her experience.
REMINDERS AND ANNOUNCEMENTS

Message from Student Government Association (SGA)

November 12-19th, SGA, will be hosting a food drive contest between all six colleges at TAMUCC. The college that wins will be receiving a trophy, and all donated food will be given to Izzy's food pantry helping fellow Islanders on campus.

Donation box will be located at front desk.
