CONHS Undergrad BSN Students

Congratulations to our College of Nursing and Health Sciences 4th Semester Psych Students who recently earned their Mental Health First Aide Certificates. Thank you Professor Norma Vela and the Nueces Center for Mental Health and Intellectual Disabilities (MHID) for your support in the success of our students.
CONHS ABSN students had their final simulation of the semester. Professor Petra Martinez along with the simulation lab staff developed a new Spinal Cord Injury simulation that was very successful. Professor Martinez used her creative skills to make a “halo pin traction device” that added to the realism of the scenarios.

Congratulations to Kayla Crowell. Kayla is a CONHS Clinical Assistant Professor, and has recently passed her Board Certification for Nurse Practitioner. Best wishes on this wonderful achievement Kayla Crowell MSN, APRN, FNP-C.
