CONHS Assistant Professor was guest speaker, Dr. Park, at the ABSN Professional Development Seminar on Wednesday, February 23rd.

Dr. Park brings a rich background in clinical nursing practice and nursing education.

After having a 7-year clinical practice as a family nurse practitioner and the completion of her doctoral degree, she moved to Eswatini, South Africa, where she developed a nursing program in a newly founded university.

After 2 ½ years, she returned to Seattle and taught in the nurse practitioner program at the University of Washington and Seattle Pacific University while maintaining her clinical practice.

In September 2019, Dr. Park joined TAMUCC as an Assistant Professor in the College of Nursing and Health Sciences. She is here today to talk about her varied career in nursing.

Congratulations to the BSN (Pre-Licensure) program for being recognized as the runner up for the Award for Exemplary Assessment for an Educational Program. The award is given by the Office of Accreditation and Assessment and the Center for Faculty Excellence at the Inaugural Learning Outcomes Assessment Awards Luncheon that took place on Friday, February 25th. Programs and units were extensively reviewed by the Institutional Effectiveness Council for Academic Units. The BSN (Pre-Licensure) program was recognized for its exemplary work on program learning assessment.
