CONHS Host TAMUCC President’s Circle Event

The College of Nursing and Health Sciences hosted the TAMUCC President's Circle event. Welcomed by President Miller and Dean Aziz, supporters enjoyed a behind the scenes tour of the College's Simulation and Clinical Learning Center, visited with faculty, staff, and students, and saw firsthand state-of-the-art technology in healthcare. The event was a huge success. Events like these are a wonderful opportunity to publicly showcase our amazing faculty and staff and how we are shaping the future of healthcare education.

Thank you again for all that you are doing to enrich lives, and advance healthcare, one ISLANDER at a time!
